

*A True Leader in
High Quality Fabrics*

Company Profile

Pacific Textiles is a leading manufacturer of customized knitted fabrics with a focus on complex, value-added fabrics. It collaborates closely with apparel brand owners to design fabrics that meet customized order particulars. The company's finished fabrics comprise more than 3,000 designs and specifications which then sell to garment manufacturers worldwide to produce garments for premium apparel brand owners. The fabrics are used in a broad range of garments, including men's, women's and children's clothing, sportswear, swimwear and inner-wear.

Pacific Textiles has established relationships with owners of leading brands such as Calvin Klein, Maidenform, Triumph, UNIQLO, VF Intimates and Victoria's Secret. The principal manufacturing facility is a modern, integrated knitting, dyeing and printing facility in Panyu, China. The company offers warp and weft knitting along with printing services. In 2004, as part of the company's strategy to expand our production volume and the geographic scope of its operations, it acquired a controlling interest in a knitting and dyeing facility in Avissawella, Sri Lanka, namely PT Sri Lanka, and have since expanded its annual production capacity.
